Re item 6b

It is proposed by the Supervisory Board, upon the recommendation of the Remuneration Committee, to amend the current Remuneration Policy for the Supervisory Board, in order to comply with the Shareholder Rights Directive II and the Dutch provisions implementing the Shareholder Rights Directive II.

The Remuneration Policy for the Supervisory Board was lastly adopted at the AGM in 2014.

The Supervisory Board and the Remuneration Committee evaluated the Remuneration Policy for the Supervisory Board and considered the input received from stakeholders and the requirements of the Shareholder Rights Directive II and the Dutch provisions implementing the Shareholder Rights Directive II.

If adopted, the revised Remuneration Policy for the Supervisory Board will apply as from January 1, 2020.

The proposed revised Remuneration Policy for the Supervisory Board can be found on our website: www.akzonobel.com. Reference is made to the explanatory notes provided in the revised Remuneration Policy for the Supervisory Board for a further explanation on the proposed amendments.

It is intended by the Company to review the Remuneration Policy for the Supervisory Board during the year 2020 to be in line with the Company’s strategy beyond 2020.

Re item 7

It is proposed to amend the Articles of Association of the Company in connection with recent changes in Dutch legislation following implementation of the Act on the conversion of bearer shares (Wet omzetting aandelen aan toonder) and the Dutch provisions implementing the Shareholder Rights Directive II (the latter only results in an amendment in relation to the Remuneration Policy for the Supervisory Board). The proposed amendments to the Articles of Association of the Company and a further explanation to the proposed changes can be found on our website www.akzonobel.com.
The resolution to amend the Articles of Association of the Company includes the granting of
an authorization to each member of the Board of Management and all lawyers, (candidate)
civil law notaries and paralegals employed by De Brauw Blackstone Westbroek N.V. to
execute the deed of amendment of the Articles of Association of the Company.

Re item 8
This proposal concerns the extension of the authorization of the Board of Management as per
April 23, 2020 for a period of 18 months or until the date on which the AGM again extends the
authorization, if earlier:

(a) to issue - and grant subscription rights to - shares up to a maximum of 10% of the
issued and outstanding share capital on April 23, 2020, to be issued as common shares
and/or preferred shares at the Board of Management’s discretion;
(b) to restrict or exclude the pre-emptive rights allowed to shareholders by virtue of the law
in respect of the issue of shares or the granting of subscription rights in conformity with
(a), but only regarding shares issued pursuant to a decision of the Board of
Management.

Proposals of the Board of Management to issue – and grant subscription rights to – shares
and to restrict or exclude pre-emptive rights are subject to the approval of the Supervisory
Board.

Re item 9
This proposal concerns the renewal of the authorization of the Board of Management from
April 23, 2020 for a period of 18 months or if earlier, until the date on which the AGM again
renews the authorization, to acquire common shares in the Company’s share capital at any
time during this period. Provided that the AGM grants this new authorization, the existing
authorization to acquire common shares will cease to apply.

The purpose of this proposal is to have flexibility with respect to the repurchase of common
shares in the Company for among others the return of cash to shareholders or execution of the
Company’s share and option plans.

The number of common shares to be acquired is limited to the maximum number of shares –
as permitted within the limits of the law and the Articles of Association of the Company – that
the Company may at any time hold in its own share capital. The maximum number of shares
that the Company will hold in its own share capital at any one time shall not exceed 10% of its
issued share capital. A resolution of the Board of Management to acquire shares in the
Company’s share capital is subject to the approval of the Supervisory Board.

Common shares may be acquired through the stock market or otherwise, at a price between
par value and the market price of the share (as quoted on Euronext Amsterdam on the day of
the acquisition by or on behalf of the Company) provided that such market price shall not
exceed the opening stock price on the day of the acquisition by or on behalf of the Company
plus 10%.

Re item 10
It is proposed by the Board of Management, under the approval of the Supervisory Board, to
reduce the issued share capital by cancelling any or all common shares in the share capital
of the Company held or acquired by the Company under the authorization referred to under
agenda item 9. The cancellation may be executed in one or more tranches. The number of
common shares held by the Company which shall be cancelled (whether or not in a tranche) shall be determined by the Board of Management but shall not exceed the maximum of the number of shares that may be acquired in accordance with the authorization referred to under agenda item 9.

Pursuant to the relevant statutory provisions, cancellation may not be effected earlier than two months after a resolution to cancel shares is adopted and publicly announced; this will apply for each tranche. The purpose of this proposal is cancellation of common shares held by the company or that will be acquired in accordance with the authorization referred to under agenda item 9, to the extent that such shares shall not be used to cover obligations under share-based remuneration or other obligations.
